

Club Dolphin After Care

SESSION 2: January 8 - June 4, 2024

After Care is available for Middlefork School students in Kindergarten through 3rd grade. The program runs from January 8th through June 4th every day that school is in session.

After Care operates through a membership in Club Dolphin for the 2023-24 school year. A membership reserves a spot for your child and offers flexibility to choose which days throughout the school year your child attends the program. Your child can attend as many or as few times as you'd like.

After paying the initial membership fee per student, you are only charged for the days attended. The daily fee is \$16.
