

NEW TRIER AQUATICS PRE-COMPETITIVE SWIM CLASSES

New Trier Aquatics (NTA) is excited to offer Pre-Competitive Swim Classes to the newest swimmers in our community.

Our swimmers learn to swim in a step-by-step program of specific skills that teach our students to master all the skills to be safe in the water and proficient as a competitor.

Our groups have a maximum of 4 swimmers per instructor. There is a program supervisor on deck for every lesson that assists instructors, evaluates swimmers' progress, and answers parents' questions.

There are 10 levels in our program, and swimmers can advance to each level immediately as required skills are mastered.

Swimmers reaching levels 7 and beyond will have the opportunity to be placed on our competitive swim team! .
